

The road to Italy is shorter than you might think.

Pack your camera and walking shoes but leave your passport at home.

For six days and nights in October, an amazing collezione di homes will be on parade at Montebello, and you are invited to attend.

You'll be welcomed into nine distinctly crafted and exquisitely decorated homes, each rich with natural beauty and Old World style. Experience the classic architecture of Montebello's stately homes

and terraces. Explore elegant villas along Villaggio's sunny piazza. Stroll formal Italian grounds and gardens, preview the Promenade de Montebello, and feast your eyes on Bella Vista's panoramic skyline views. There's even an authentic Italian market so you can take a bit of Italy home with you.

But perhaps you'll discover that a bit of Italy isn't nearly enough. Perhaps you'll want to make your home at

Montebello, the beautiful mountain.

After all, Italy is now just five minutes from downtown Greenville. No passport required.

Your passport to Italy.
